Mission Dolores Park

San Francisco, USA

18th St

Image and comfort:

Encompassing nearly 16 acres, this public park is one of San Francisco's most popular leisure destinations, the vibrant heart of its equally vibrant, culturally diverse Mission neighborhood.

Use and activity:

It consists of lush green lawns shaded by palm trees, a soccer field, six tennis courts, one basketball court, one multi-use court, a playground, and two off-leash dog play areas.

Sociability:

Many festivals, performances, and other cultural events are held here. On sunny afternoons people come to the park to meet, play, do picnics, hang out, walk their dogs, and enjoy spectacular views of the city's skyline and beyond.

Accessibility and connectivity:

The rectangular park is bounded by Church, Dolores, 18th, and 20th streets. The Muni Metro J-Church Line runs along its western edge, and there are bus stops nearby..
